

GOVERNANCE.

Demystifying Governance.

Governance need not be a
fearful concept.

It means how something is led
and managed.

It is something which affects
and impacts each of us all the
days of our lives.

EXECUTIVE GOVERNANCE

Best Practice Governance (BPG) is to manage the day-to-day operations, in line with the vision, strategy and planning, with integrity and in the best interests of all stakeholders. Executive Governance supports senior leaders to lead and manage in a way that strengthens BPG.

The GOVERN Wheel.
How well do you know your organization?

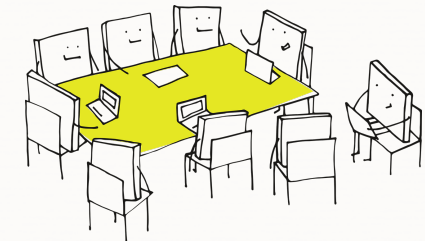

My clients are:

Brave, courageous and self-aware. They appreciate the space to acknowledge, reflect and be themselves. They bring their whole selves and are fully present. They feel energized, lighter and clearer after our meet-ups.

“it was very helpful. it helped me to get a focus. there are so many things going on. it doesn't move on if you don't have focus. it was helpful to get focus on actions. to stay with it and come out of it with outcomes and actions. it is helpful talking to you, someone outside of the circle, objective”

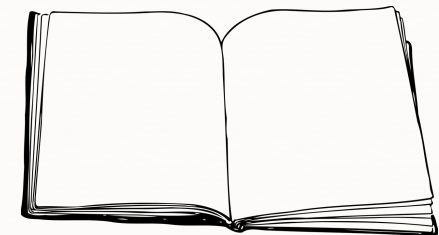

COLLABORATIVE GROUP WORKSHOPS

An opportunity for the Executive team to get clear on the vision of the organization, consider the needs of the myriad stakeholders, develop strategic priorities and associated action plan, review the current governance landscape, develop a plan to support closing the gaps to effective governance, explore roles and responsibilities and gauge succession planning.

1:1 EXECUTIVE GOVERNANCE

An opportunity for Executives to have the space to talk with an independent, experienced, pragmatic and highly qualified Governance Coach. Talk through worries, underlying stressors, visionary plans, communication challenges, delegation obstacles, overwork, succession planning, roles and responsibilities, Board interaction and wellbeing.

SERVICE GOVERNANCE, COACHING SUPERVISION

An opportunity for client-facing professionals to reflect upon practice. Explore where you are on your journey, your development and the quality and sustainability of your role. Recount customer successes and explore those moments where you felt you could have done better. Be open to evolving, learning, maturing and self-developing.
